  - c. A copy of the Entries List, Provisional Timetable and other information will be emailed to each crew's submitting BROE administrators by 22:00 on Tuesday, 18th October. You should ensure that this email address is monitored and up-to-date.
  - d. You should check that you can comply with the Conditions of Entry (see Section 3).

  - a. Neither late entries nor late payment will be accepted.
  - b. Errors made by the Organising Committee will be rectified in the published information.

  - d. If a crew scratches before the Regatta and this makes a major change to race timings, this information will be posted on the website as soon as possible. It is a competitor's duty to check for updates.

## 5. The Draw Process

- 5.1. The draw will be co-ordinated from British Rowing Head Office, 6 Lower Mall, London W6 9DJ on Tuesday, 18th October.
- 5.2. No details will be disclosed before 22:00 on Tuesday, 18th October when the draw and provisional race timetable will be published on the website: **www.britchamps.org**. An information pack containing the Entries List, Provisional Timetable, and General and Safety instructions will be emailed to all submitting administrators who have entered crews; these documents will also be posted on the website in pdf format.
- 5.3. Enquiries regarding the draw should be made by email to **seniorentries@britchamps.org** including your full contact details.

## 6. Making Changes to Entries

- 6.1. Crew changes must be notified to the Entries Secretary before the crew goes afloat, in accordance with the Rules of Racing. Crews must use BROE to notify substitutions prior to the Regatta; the system will be open from 12:00 on Tuesday, 18th October until 09:00 on Friday, 21st October. After this time, changes must be notified in person at the Registration Office (open from 16:00 on Friday, 21st October), with details of the substitute's registered club, name, date of birth and Racing Licence number as recorded by the relevant Great Britain Rowing Body.
- 6.2. Crews that scratch before the Regatta should scratch on BROE or inform the Entries Secretary directly by email. Crews scratching from an event at the Regatta must inform the Entries Secretary in the Registration Office. Crews that have scratched cannot be reinstated.
- 6.3. A representative of every crew must confirm its intention to race to the Entries Secretary at the Regatta, at least 60 minutes before the time of the time trial in the event for which it has been entered.
- 6.4. Crews that make a substitution that no longer qualifies the crew for the sub-class originally entered will automatically be moved to the Open or Women's main class in that event.
- 6.5. Withdrawal after a crew's first race will be allowed if notice is given to the Entries Secretary and there are acceptable reasons.

## 7. Racing Format

Subject to the size of the entry and the provisions of paragraph 9.5, the following racing format will apply:

- 7.1. **Time Trials**—The first round will be a 1900m time trial with crews grouped by boat type.
- 7.2. **Semi-Finals**—After the time trial all boats will be ranked; crews 1-12 will be seeded into semi-finals A/B, crews 13-24 will be seeded into semi-finals C/D etc. Racing will be side-by-side over 2000m. Adjustments will be made to avoid one-boat row-overs. Should the size of the entry dictate that this racing format cannot be completed in one day, the Organising Committee reserves the right to rank crews to minor finals.
- 7.3. **Finals**—The first 3 from each semi-final A/B will progress to final A; positions 4, 5 and 6 will progress to final B. A similar progression will apply to the semi-finals C/D etc. Racing will be side-by-side over 2000m.
- 7.4. **Para rowing events**—The first round will be a 1000m time trial with crews grouped by class. This will be followed by side-by-side 2000m finals, which will be seeded from the time trial on boat speed independent of class (e.g. an AS 1x may race in the same 2000m final as an LTA 1x). Medals will nevertheless be awarded for each of the classes listed at v to x in paragraph 2.2.a.

- 9.2. Competitors are reminded that they must bring their racing licences with them. Racing licences must include an up-to-date photograph where required by their Great Britain Rowing Body. A competitor whose licence does not have a space for a photograph must bring a photographic identity document with them to the Regatta.
- 9.3. For a crew that includes junior athletes, if a substitute coach attends the Regatta he/she must contact Registration and register his/her mobile telephone number.
- 9.4. Entry fees will not be refundable if it should become necessary, for any reason, to abandon the Regatta or any event.
- 9.5. When it is not possible, for whatever reason, to complete the Championships or an event, the draw pattern may be changed or times from time trials, heats or semi-finals may be used to determine which crews will progress to later rounds, or to determine the medal positions or the plaque winners.
- 9.6. Crews that fail to confirm their entry to the Entries Secretary at least 60 minutes before the time of the first time trial in the event for which they have been entered might not be permitted to start. Those that have confirmed but then fail to appear at

the Start for any of their races in the event may be disbarred from other events in the Championships.

- 9.8. The Organising Committee reserves the right to exclude any crew or sculler from further competition in an event if it does not show sufficient competence in either attaching to the Start pontoons or progressing down the course during a race. This is applied in the interests of safety and fairness to other competitors.
- 9.9. To win a medal a crew must beat another crew, except for gold in an event from which all other crews have withdrawn. Events with fewer than three entries at the close of entries may be withdrawn.
- 9.10. Any winning crew that does not present a complete set of Racing Licences may not be presented with any plaque or medals until the missing Licences are provided.
- 9.11. It is the competitor's responsibility to keep him/herself informed of any changes to the event programme.
- 9.12. Lightweight will be weighed by Control Commission according to British Rowing Rule of Racing 4-1-5b with the winter weights: maximum 75kg (Open); 61.5kg (Women). There is no average weight requirement during the winter period.

- 10.1. There are official photographers and videographers at the Championships. Official photographs are available for sale at the Regatta and subsequently from the photographer's website. These photographs and videos may be used on the website and social media sites of the Championships or by British Rowing. By entering the Regatta, competitors and those responsible for them consent to this.
- 10.2. Competitors and those responsible for them should be aware that other, non-official photographers might operate at national sporting events and the subsequent photographs may be freely used in print, digital media or elsewhere, over which the Organising Committee has no control.
- 10.3. Coaches and competitors agree that by entering crews they have made the crew members and their parents/guardians (where in loco parentis) aware of the above two paragraphs.
